Secretary Garrett declared a quorum with 35 of 38 voting members present. Also present were approximately 60 other members and visitors.

RRLRT Technical Committee Report

RRLRT Technical Committee Chair, Rick Campbell, reported that the committee had met the previous afternoon and evening and completed their review of items from Chapters 8 and 10. He then continued presenting items recommended by the RRLRT Committee. All of the items which were approved by the Council yesterday and today as well as those approved at the January 2008 meeting, are included in ([Attachment No. 1](#))

TTC Technical Committee Report

TTC Technical Committee chair, Gene Putman, reported that the committee had met the previous afternoon and evening and completed their review of items from Chapter 6. He then presented additional items recommended by the TTC Committee. All of the TTC items which were approved by the NCUTCD Council in January and June 2008 are included in ([Attachment No. 2](#))

GMI Signs Technical Committee Report

GMI Signs Technical Committee chair, Bill Lambert reported that the committee had met Wednesday, Thursday and Friday and completed their review of items in the NPA relating to Guide and Motorist Information Signs. All of the items which were approved by the Council at the January and June 2008 meetings are included in (Attachments No. 3a, 3b, 3c & 3d).

Markings Technical Committee Report

Markings Technical Committee chair, Gene Hawkins, reported that the committee had met Wednesday, Thursday and Friday and completed their review of items from Chapter 3. He then presented committee recommendations of the committee relating to the NPA. All of the items which were approved by the Council at the January and June 2008 meetings are included in (Attachments No. 4a through 4l).

RW Signs Technical Committee Report

RW Signs Technical Committee chair, Bruce Ibarguen, reported that the committee had met Wednesday, Thursday and Friday and completed their review of items from 2, 5 and 7 relating to regulatory and warning signs. He then presented the committee recommendations relating to the NPA. All of the items which were approved by the Council at the January and June 2008 meetings are included in (Attachments No's. 5a through 5m).

Signals Technical Committee Report

Signals Technical Committee chair, Ronnie Bell, reported that the committee had met Wednesday, Thursday and Friday and completed their review of items from Part 4 of the NPA. He then presented the committee recommendations. All of the items which were approved by the Council at the January and June 2008 meetings are included in (Attachment No. 6).

Research Committee Report

Research Committee chair, Ken Kobetsky, reported that, because of the press of business regarding the NPA, the committee did not meet, but he gave a power-point presentation on research activities (Attachment No. 7).

There being no further business, the meeting was adjourned at 6:04pm with the note that this was the longest continuous Council meeting ever held, being just over ten hours without a break.

Respectively Submitted,

Robert M. Garrett, Executive Secretary.
